

Outcomes Assessment in Higher Education Sampling of Comments from Workshop Evaluations

Workable solutions
Excellent ideas
Extremely helpful, practical information
Excellent guidance on challenges of assessment as well as benefits
Thank you for taking us to a new level of accountability
Uplifting and energizing program even though the initial idea of the topic area could have been dry and boring
One of the best workshops I have ever attended at a professional conference
I came to this session thinking it was regarding "learning" outcomes instead of program outcomes but it turns out that I needed this one more!
Respectful of audience needs and knowledge and each other
Thoughtful, organized, thorough, directly relevant
I wish all workshops were this well done
Write a book!
Broke it into understandable segments
Excellent and extremely practical workshop
More folks could use this information
Excellent content and especially appreciated the resource handouts; very detailed and helpful.
Took much trepidation out of my need to assess office functioning
Extremely useful information
Professional, provocative, useful, well done
Exceptionally helpful!
Practical and built on solid experience.
Good enough to repeat in the future
Lessened the fear professionals have about assessment
Great example of utilizing the K.I.S.S. method on a complicated issue
Definitely made it seem doable

First time this topic has been presented with such clarity
Wonderful, I feel so prepared for my office outcomes assessment process
Outstanding presentation
Very timely information
Practical, focused, helpful and fun
You made me feel like I could really enjoy outcomes assessment in my career center/co-op office
Great models and practical advice, concise
Very relevant and well done
Could be applied to other situations which is great
Succinct presentation
Look forward to using guidelines and info in my own program
Lots of information to take back to campus, spurred new ideas
Fabulous handouts
Thank you for making outcomes assessment more manageable!
Suggest going "on the road" to help other institutions
Sell your service!
Suggest using this program as a plenary for a conference since we all come into assessment kicking and screaming!
Absolutely the best part of this entire conference, I cannot thank you enough!
As an employer, I now have better ideas on how to assess my own program and intended outcomes.
The organization of presented material made it easy to follow and bring home to college to implement
Exceptional
A very conceptually rich workshop
Fantastic presentation with very practical implications
